About This Manual	i
A Foundation for Knowledge and Understanding	1-1
Introduction	1-1
Gaps in Communication.....	1-1
The First Communication Gap	1-1
The Second Communication Gap.....	1-2
Differences in Perspectives	1-3
Intervention	1-6
About “Drugs”	1-6
Historical Issues	1-9
Federal Efforts To Deal with Alcohol and Other Drugs	1-11
Special Issues in Michigan.....	1-15
The Evolution of Lay Movements	1-17
Other Community-Based Developments.....	1-19
Dimensions of the Problem	2-1
Introduction	2-1
Our Double Dilemma.....	2-1
Legal and Illegal Drugs Compared	2-1
The “People” Component To the Problem.....	2-2
Drug Taking: Some Reasons.....	2-3
Sharing Knowledge—Some Difficulties.....	2-3
Extent of the Problem.....	2-4
Accuracy of Data.....	2-12
The Concept of Morbidity.....	2-18
Co-Morbidity and Co-Occurring Problems.....	2-20
Mortality: Drugs Kill.....	2-20

Characteristics and Consequences of Problematic Use.....	2-26
Violence	2-31
Indicators and Assessments.....	2-33
Understanding Sociocultural Aspects of Alcohol and Other Drug Use.....	3-1
Introduction	3-1
What Are Sociocultural Concepts?	3-2
Why Are Sociocultural Concepts Useful and Necessary?	3-3
Some Key Dimensions of Identity and Group Membership.....	3-4
Age, Life Course Issues, and Developmental Tasks	3-5
Adolescence	3-7
Assessing the Adolescent	3-8
Norms	3-9
Peer Groups.....	3-10
Assessing the Peer Group.....	3-11
Reference Groups.....	3-12
Influence of Reference Groups On Treatment and Prevention.....	3-12
Aging.....	3-14
The Family	3-14
How Knowledge of the Family Affects Treatment and Prevention.....	3-15
Social Roles.....	3-16
Using Role Analysis for Treatment and Prevention	3-17
Gender	3-18
Influence of Gender on Treatment and Prevention.....	3-20
Culture.....	3-20
Religion	3-21

Regional Differences	3-21
Ethnicity and Ethnic Groups.....	3-22
Ethnic Group Issues and Concepts	3-23
Cultural Implications for Treatment and Prevention	3-24
Social Class	3-26
Influence of Social Class On Prevention and Treatment.....	3-27
Social Regulation and Deviance	3-28
Influence of Deviance On Prevention and Treatment.....	3-29
Prejudice and Institutionalized Discrimination	3-30
Implications for Future Counselors.....	3-31
Psychological Aspects of Substance Use and Abuse	4-1
Introduction	4-1
The Concept of Behavior	4-2
Some Key Psychological Variables	4-2
Reinforcement and the Momentum of Ongoing Behavior	4-5
Learning	4-7
The Role of Cognitive Processes and Expectancies.....	4-7
Personality Factors and Drug Involvement	4-8
Does the “Addictive Personality” Really Exist?	4-11
“Co-Dependence” and Family Systems:	
The Social Psychology of Involvement with Alcohol and Other Drugs.....	4-12
The Complexity of Involvement with Alcohol and Other Drugs	4-14
Biological Aspects of Alcohol and Drug Use.....	5-1
Introduction	5-1
The Central Nervous System.....	5-1
Organization	5-1

The Brain	5-6
Principles of Drug Action	5-8
Common Sites and Mechanisms of Drug Action	5-8
Dose/Effect Relationship	5-8
Passage of Drugs Through the Body	5-10
Rate of Drug Loss	5-12
Individual Factors That Modify Drug Effects	5-13
Drug Testing	5-15
Drug Interactions	5-16
Drugs That Are Abused.....	5-17
Overview.....	5-17
Depressants	5-17
Stimulants	5-24
Opioids.....	5-32
Hallucinogens	5-35
Other Drugs That Are Abused.....	5-39
Psychotherapeutic Agents	5-42
Drug Schedules	5-43
Infectious Complications of Drug Use.....	5-45
Viral Infections	5-45
Other Infections	5-46
The Biological Component of Alcohol and Drug Problems	5-46
Neurochemical Basis of Addictive Behavior	5-46
Causal Models of Alcohol and Other Drug Problems	6-1
Introduction	6-1
Etiological Considerations	6-1
The Utilization of Models	6-2
Etiologic Models of Alcohol and Other Drug Problems	6-5

Predisposing Factors	6-7
Precipitating Factors	6-8
Perpetuating Factors	6-9
Factors in Later Pathology	6-9
About Risk and the Development of Later Disorder.....	6-10
The Continuum of Severity	6-11
Typologies and Understanding the Causes of Chronic Difficulty	6-12
Severe Alcohol Problems With and Without Antisocial Behavior.....	6-13
Severe Alcohol Problems, Other Drug Involvement, and Co-Morbidity	6-15
Alcoholism as a Genetic Disorder.....	6-16
Implications of Current Models of Etiology for Assessment and Intervention	6-17
Intervention.....	7-1
Introduction	7-1
Goals and Ingredients in Types and Levels of Intervention.....	7-2
Levels of Prevention: The Public Health Model	7-3
Treatment in Perspective: Improvement Without Formal Treatment	7-4
Kinds of Treatment Available	7-4
Modality.....	7-10
Philosophy	7-11
Some Other “Ingredients” in the Treatment Process.....	7-13
Stage Specificity of Treatment	7-15
Setting.....	7-16
Target.....	7-17
Provider	7-17
Time-Frame	7-17

Efficacy.....	7-18
Toward Treatment Systems.....	7-20
The Community Component of Treatment	7-22
Primary Prevention	7-25
Prevention Efforts with Adolescents: A Brief History	7-25
Current Approaches To Prevention—Goals, Strategies and Assumptions.....	7-27
Prevention of First Use	7-27
Overall Reduction in Use.....	7-27
Delaying First Use	7-29
Availability Reduction and Increase in Costs.....	7-29
Cultural Regulation/Norm-Focused Approaches	7-30
High-Risk Identification	7-31
Discrimination and Poverty	7-32
Creating or Strengthening Alternative Means of Coping	7-33
Increasing Social Support.....	7-33
Creating Alternative Ways To Socialize and “Get High”	7-34
Summary of Intervention Issues and Approaches.....	7-34
A Note on the Human Context of Intervention	7-37
Critical Issues	8-1
Introduction	8-1
Control Policy and Availability.....	8-2
How Funding Influences the Delivery of Services	8-2
Controls On Alcohol and Other Drugs	8-3
The Legal Drinking Age	8-4
Dangers of Labeling Youthful Behaviors.....	8-5
Alcohol and Highway Safety	8-6

Violence.....	8-8
Other Ethical and Legal Issues.....	8-10
Confidentiality	8-10
Employee Assistance Programs in the Workplace	8-11
Drug Testing: Implications for Detection.....	8-11
Pregnancy	8-12
Drug Use in Sports.....	8-13
Legalization of Illicit Drugs.....	8-13
HIV Prevention in I.V. Drug Users	8-15
The Ethics of Organ Transplants and Rationing.....	8-15
Summary	8-16
Alcohol and Other Drug Problems:	
The Practical Applications	9-1
Introduction	9-1
Producing Results.....	9-1
Interaction	9-2
Power.....	9-4
Ethical Issues.....	9-6
Developing Sociocultural Competence in Practice	9-6
Vignette Analysis	9-17
Vignette 1: Helen.....	9-18
Vignette 1: Analysis	9-20
Vignette 2: Everycity High School and Bill	9-21
Vignette 2: Analysis	9-24
Sociocultural Competence.....	9-28
Vignette Analysis for Practice.....	9-29
Vignette 3: Sasha	9-29
Vignette 4: Rex	9-31

Vignette 5: Brenda.....	9-33
Vignette 6: Workplace and Allen	9-34
Vignette 7: George.....	9-35
Vignette 8: Mary.....	9-36
Summary	9-37
Afterword: An Alert About the Future	10-1
Introduction	10-1
Information Management.....	10-2
The Quest for Knowledge.....	10-2
A Helping Hand from Technology	10-4
Scientific Advances	10-6
Health Care Policies and the Delivery of Treatment Services	10-7
Changing Social Norms	10-10
Future Patterns of Use and Efforts to Reduce That Use and Its Consequences	10-10
Changing Cultural Norms/Local Subcultural Issues.....	10-13
Appendix.....	A-1
About the Authors	Authors-1
Glossary	Glossary-1
Index	Index - I

List of Figures and Tables

Figures

Figure 1.a: The World of Alcohol and Other Drug Use
Source: M.H.R.I.

Figure 2.a: Percentage of High School Seniors Who Were Current Drinkers and Percentage Who Were Occasional Heavy Drinkers.
Source: National Survey Results on Drug Use. From Monitoring the Future Study, 1975-1992. Vol. 1. U.S. Department of Health and Human Services.

Figure 2.b: Apparent U.S. per capita consumption of pure alcohol 1977-1987.
Source: NIAAA, 1989. From Seventh Special Report on Alcohol and Health to the U.S. Congress, 1990. U.S. Department of Health and Human Services.

Figure 2.c: Treatment Admissions by Primary Drug in Michigan FY 80/81 to 92/93.
Source: From MDPH/CSAS/EDS

Figure 2.d: Deaths Due to Cocaine and Speedballs in Detroit

Figure 2.e: Percentage of Homicide Victims Testing Positive for Cocaine
Source: New York State Journal of Medicine, Vol. 90, No. 10, October 1990, "The Public Health Consequences of Crack Cocaine."

Figure 2.f: Emergency Room Mentions by DAWN
Source: DAWN (NIDA), January 1990--December 1992.

Figure 2.g: Link Between Alcohol Consumption and Violent and Nonviolent Crimes
Source: Reprinted from Alcohol, Alcohol. Vol. 21, #4. T. Myers, "An Analysis of Context and Alcohol Consumption in a Group of Criminal Events," pp. 389-95, 1986 with kind permission from Pergamon Press, Ltd., Headington Hill Hall, Oxford, OX3 OBW U.K.

Figure 2.h: Alcohol Consumption and Fatal Motor Vehicle Accidents.
Source: Arfken, C.L., 1988. Journal of Alcoholism Clinical and Experimental Research, Vol. 12, No. 1, January-February, 1988, "Temporal Patterns of Alcohol Consumption in the U.S." Copyright Research Society on Alcoholism.

Figure 2.i: Alcohol-Involved Crashes as a Function of License Status, 1986.
Source: NHTSA, 1988.

Figure 3.a Key Sociocultural Concepts; Multiple Elements of Identities and Influences On Behavior
